Basket patterns date from the eighteenth century and are still among the best-loved designs for quilts. Their variety, versatility, and charm give them special appeal for the quilter. Whether used individually in a small project, or in quantity for a quilt, baskets perfectly exemplify the tradition of patchwork and appliqué designs inspired by everyday household objects.
Designer Pat Sloan made this appliqué flower basket in her signature folk-art style to showcase her Sweetbriar fabric collection.

DESIGNERS

Designers Vicki Lynn Oehlke and Sonja Moen formed their business, WillowBerry Lane, in a 1920s arts and crafts bungalow in Devils Lake, North Dakota. Together, Vicki and Sonja have published seven books.
Inspired by an antique pillow that belongs to a friend, Evalee Waltz made hers from reproduction fabrics. She used decorative buttons for the centers of some flowers.

**YO-YO BASKET Pillow**

From pink solid, cut:
- 61 small circles for basket yo-yos.

From green solid, cut:
- 7 (1¼"-wide) bias strips for stems. Fold bias strips in thirds lengthwise, press, and hand baste fold in place to prepare stems for appliqué.

From pastel print squares, cut:
- 11 tiny circles for yo-yos (cut 6 from 1 fabric and 1 from yellow print for cluster flower).
- 3 small circles for yo-yos.
- 6 medium circles for yo-yos.
- 1 large circle for yo-yo.

**Pillow Top Assembly**

2. To make basket, whipstitch rows of yo-yos together as shown in *Basket Diagram*. Center basket on pillow top, placing bottom of basket approximately 2" from bottom edge. Pin basket to pillow front. Pin handle strip in place. Wait to tack basket and handle to background until all flowers and stems are stitched in place.

**MATERIALS**

**PROJECT RATING: EASY**

**Size:** 19" × 19" without ruffle

- ¾ yard cream solid for pillow front
- 1½ yards pink print for ruffle and pillow back
- ¾ yard pink solid for basket yo-yos
- 1 fat eighth* green solid for stems
- 14 (5") squares assorted pastel prints for yo-yos
- Polyester fiberfill for stuffing pillow
- 2 (¾"-diameter) yellow buttons for medium flower centers

*fat eighth = 9" × 20"

**fat quarter = 18" × 20"

**From cream solid, cut:**
- 1 (19½") square for pillow front.

**From pink print, cut:**
- 5 (6"-wide) strips for ruffle.
- 1 (19½") square for pillow back.
3. Join 1 tiny yellow print yo-yo and 6 matching tiny yo-yos to make cluster flower, placing yellow yo-yo in center.

4. Referring to Basket Diagram, arrange bias stems, small, medium, and large yo-yos, and cluster flower on background square. Trim stems to desired lengths, concealing ends of stems under basket and flowers. Appliqué stems in place by hand or machine. Pin flower yo-yos in place.

5. Place a yo-yo or button atop each medium and large yo-yo flower for flower centers. Use remaining tiny yo-yos for centers of medium yo-yo flowers and remaining small yo-yo as center of large flower. Stitch center yo-yo or button through all layers to hold pieces in place. Stitch center of cluster flower to background.

6. Stitch basket and handle yo-yos to background.

**Pillow Finishing**

1. Join 6”-wide pink print strips end to end to form loop for ruffle. Fold ruffle in half with wrong sides facing so it is 3” wide; press. Divide ruffle into 4 equal sections; mark divisions with pins. Run gathering thread around ruffle loop, a scant 1⁄4” from raw edges.

2. Draw around a mug or large glass to mark rounded corners on right side of pillow top. Use pins to mark centers of pillow sides. Gather ruffle so that ¼ of ruffle is distributed along each quadrant of pillow top. Aligning raw edges of ruffle with edges of pillow top and rounded corner markings, pin ruffle in place. Baste ruffle to pillow top.

3. Place pillow top atop pillow back, right sides facing; pin. Working with wrong side of pillow top facing up so you can use basting stitching as stitching guide, stitch pillow top to pillow back, leaving an 8”-long opening along 1 side to turn pillow. Turn pillow right side out. Stuff pillow with fiberfill. Whipstitch opening closed.
Making Yo-Yos

Follow these simple steps to make yo-yos for Yo-Yo Basket Pillow on page 18.

1. Cut circle using pattern below.
2. Turn under raw edge of circle ¼” to wrong side and take small running stitches around edge through both layers (Photo A). Use quilting thread or other strong thread that will not break when gathering.
3. Pull thread to gather circle with right side of fabric facing out. Make a knot to hold circle closed. Gathered side is front of yo-yo (Photo B).

Sew Smart™

Do not make running stitches too small. Longer stitches make the circle easier to gather, and the “hole” smaller.
