

Tranquility

12" BLOCK

This modified double windmill block lends itself well to a controlled scrappy look. Sort your fabrics by color family then by value to play off the many looks available with this one simple block. The version shown here was made with fabrics from the Charleston collection by REVIVE from Timeless Treasures.

BLOCK PIECING

ROTARY CUTTING

Measurements include 1/4" seam allowances. Align arrows with lengthwise or crosswise grain of fabric.
