

# Eight Hands Around 12" BLOCK

Pattern from *Quilters Newsletter Best Patchwork Blocks 2005*

The star within a star in this pattern is intriguing. Value placement is very important in order for the parts to be well defined. Follow the piecing diagram shown to construct the Eight Hands Around block.

The sumptuous fabric is Serenity from E.E. Schenck's Cara Collection. Designed by Daiwabo, Serenity is available in four colorways. [www.eeschenck.com](http://www.eeschenck.com)

**BLOCK PIECING**

Rotary diagrams and patches already include seam allowances.
