

SALT LAKE CITY BLOCK

Use our free quilt block pattern to recreate this 10" Salt Lake City quilt block using modern prints from the Center City Collection by Jay McCarroll for FreeSpirit Fabric, or your choice of fabrics. The large central A patch is perfect for showing off a statement print, and the accent fabrics surrounding it can be assembled using traditional patch piecing or foundation piecing. Whichever you choose, make sure to sew with the outer units on top of the A patch so the corner of the B patch doesn't get cut off by the seam.

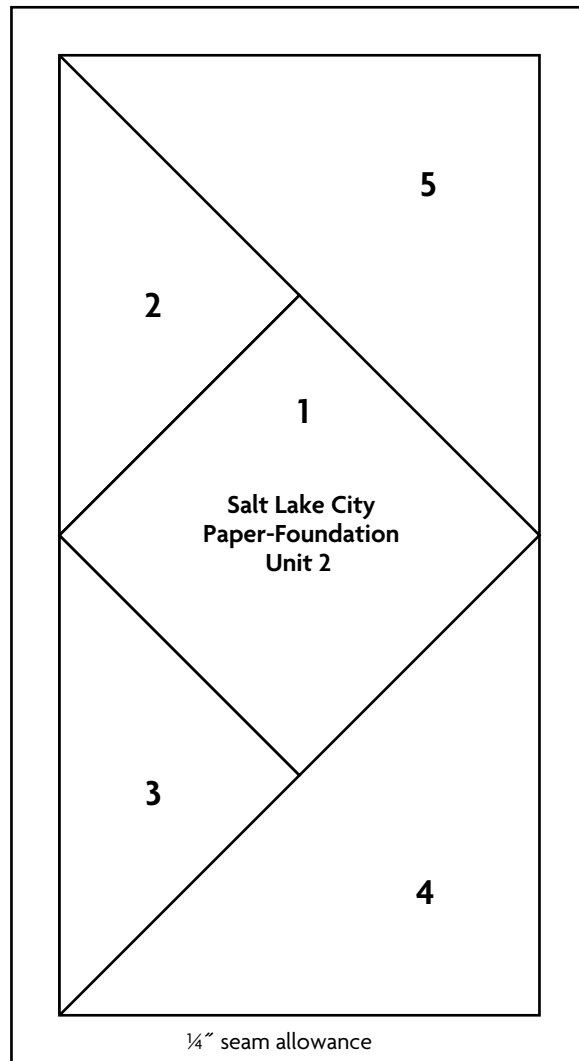

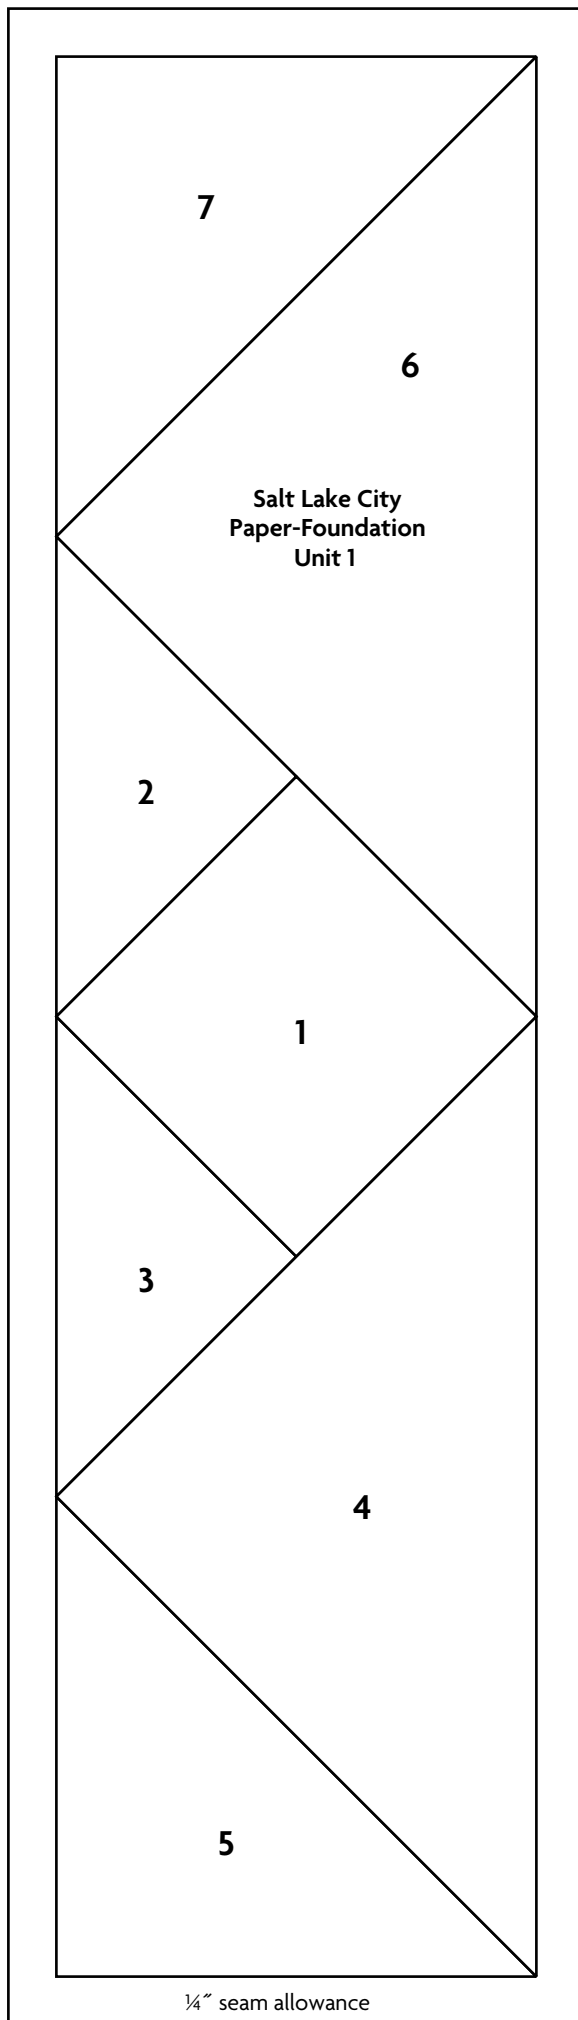

This block was published in *Quilters Newsletter's 50 Best Patchwork Blocks* in 2005.
