

GODEY BLOCK

The free quilt block pattern for the 12" Godey block perfectly showcases Renée Nanneman's Chateau Chambray collection by Andover Fabrics (www.andoverfabrics.com) but you can make it in any fabric you choose. The A patch in the center is a wonderful place to put a special print, fussy cut if necessary. Or for a totally different look, make the block scrappy; the small E's and F's will use lots of those little bits from your stash.

This block was published in *Quilters Newsletter's 50 Best Patchwork Blocks* in 2005.

Make sure your printer is set to 100% "no scaling" before you print your pattern.

BLOCK PIECING

Rotary diagrams and patches already include seam allowances.
