

Make sure your printer is set to 100% or "no scaling" before you print your pdf.

Eight Hands Around

A small star nestles inside a large star, with additional flying geese creating even more dynamic points. This block contains many creative design possibilities, depending on color and value placement. Emphasize the small star, the large star or the flying geese, and watch even more patterns emerge when the blocks are placed side by side.

BLOCK PIECING

Rotary diagrams and patches already include seam allowances.
