Piecing the Pillowcase/Storage Bag

1 Referring to Diagram I-A, stitch 10½" x 40½" red-on-red swirl strip to 26½" x 40½" white-on-white rectangle. Make 1. Fold in half (right sides together) as illustrated by dashed line in diagram.

2 Using ¼" seam allowance, stitch layers together along 2 sides as shown in Diagram II-A

3 To hem open end (red-on-red swirl), fold ¼" to wrong side and press (see Diagram II-B). Turn remaining width of red-on-red swirl to wrong side, covering seam allowance between red strip and white rectangle (II-C); press. Pin to hold in place. Turn pillowcase right side out. Topstitch along red-on-red swirl, being sure to catch hemmed edge that was turned/pinned to wrong side of case (II-D). Make 1 pillow case/storage bag.
